ABOUT US

Pathway International Exports is a global sourcing and export company dedicated to delivering high-quality Indian products to international markets. The company offers a wide array of product categories including fresh produce, spices and powders, organic fertilizers, cosmetics, personal care items, handicrafts, and oils, with a focus on quality and compliance.

Pathway International Exports is committed to bridging the gap between Indian suppliers and worldwide buyers, ensuring reliable sourcing, transparent processes, and adherence to international standards. The team emphasizes excellence in supply chain management, adaptive packaging solutions, and strong customer communication throughout the export journey.

With a focus on operational integrity and innovation, Pathway International Exports strives to build enduring business relationships and expand the global presence of Indian products. The company's vision is to act as a trusted link for international buyers seeking authentic, responsibly sourced goods from India, while supporting sustainable growth for all partners involved.

Authentic Sourcing

Wide range of quality products sourced from trusted manufacturers.

Reliable Compliance & Documentation

Hassle-free exports with complete regulatory and documentation support.

Tailored Solutions for Buyers

Customized products, packaging, & quantities to suit your market.
